Mary had a little lamb

Mary had a little lamb;  
its fleece was white as snow. And  
everywhere that Mary went, that  
lamb was sure to go.

It followed her to school one day;  
that was against the rules. It made  
the children laugh and play, to see  
a lamb at school.

A lamb is a baby sheep and it lives on a farm. It is covered in warm, fluffy, white wool. This is called its fleece.

### Teapot

I am a little teapot  
Short and stout;  
Here is my handle  
And here is my  
spout.

When the water's  
boiling  
Hear me shout;  
Pick me up  
And pour me out.

When we want to make tea for more than just one person, we make it in a teapot. First we put a few teabags into the teapot, then we fill it up with boiling water from the kettle and let it brew.
