

On the  
**MOVE**

**I am a bicycle and  
I help my rider to  
exercise.**

I am a motorcycle  
and I take my rider  
quickly through  
traffic.

I am a motorcar and  
I drive my whole  
family to church.

I am a four-wheel  
drive vehicle and I  
can take you up  
steep, rocky slopes.

I am a taxi and  
I like to take you  
to work.

I am a bus and  
I take lots of people  
to the shops.

I am a truck and  
I take sand to  
the building site.

I am a train and my  
track goes through  
a tunnel in the  
mountain.

**I am a ship and  
I carry a lot of cargo  
across the sea.**

**I am an aeroplane  
and I love to fly high  
above the clouds  
with my passengers.**
