

WATER  
is LIFE

**“Look at all the  
pretty flowers!”  
says Benny  
the bee.**

**Peter smiles.  
“I like your  
bright colours.”**

**“Yum! I love your  
sweet juice,”  
says Angela.**

**“You look very  
sad. Are you  
thirsty?” asks  
grandfather Jim.**

**“I do not see  
your roots.”**

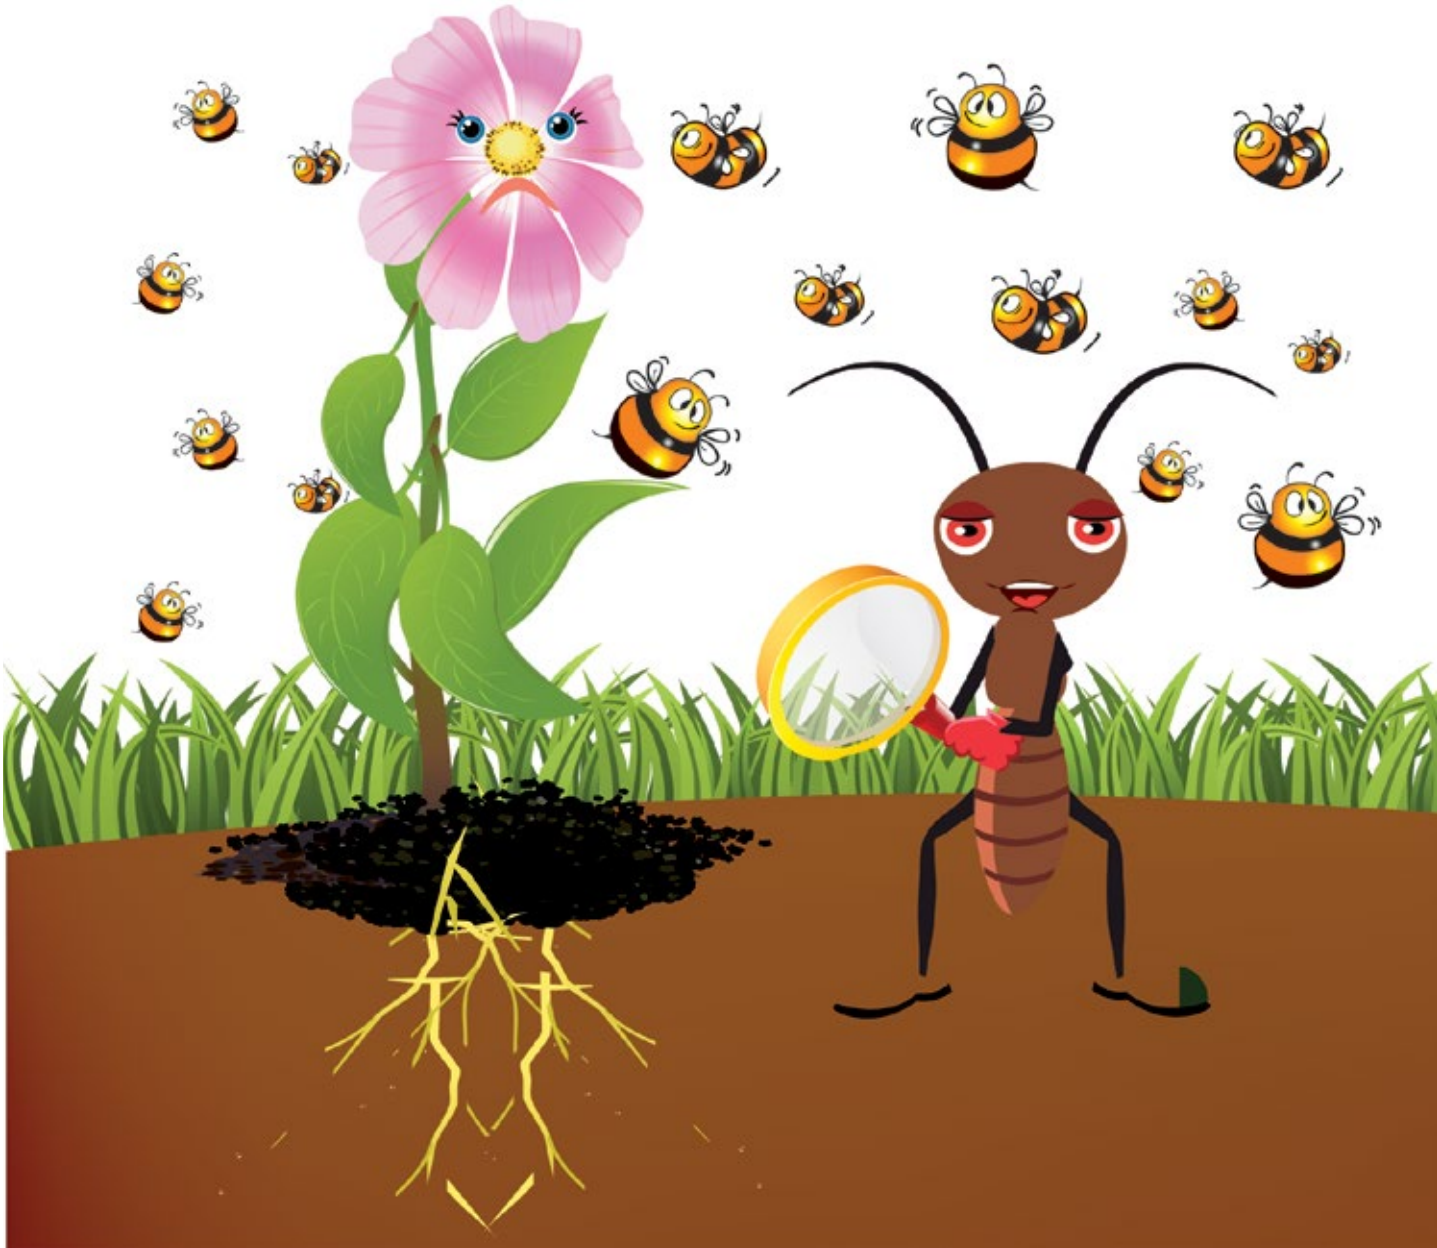

**“I know where  
your roots are!”  
says Andy  
the ant.**

**“Look! Here they  
are – in the soil.”**

**It starts  
raining.**

Andy looks at  
Faye the flower.

“You are  
going to feel  
better soon.”

The water sinks  
into the ground.  
“Now I’m happy!  
We are all  
happy!”  
says Faye.
