**I am part of

She is part of

the drums.

He is part of
the orchestra
– he plays the
trumpet.

**Everyone has
to practise at
home to stay in
the orchestra.**

**We practise
together for
many hours.**

**The conductor
is our leader.
We listen
to her.**

**We come
prepared -
everybody
knows their
notes.**

**Every member
is important -
each one has
a role.**

**If one member
doesn't practise
the music doesn't
sound good.**

**I love being
part of a
great team.**
