

WEEK 1 - Do the first 5 body parts (foot, leg, hand, arm, face) in the book.

WEEK 2 - Do the last 5 body parts (ear, eye, nose, mouth, tongue) in the book.

WHY DO WE DO TWO ACTIVITIES THREE TIMES PER DAY FOR 10 DAYS?

Repetition is necessary to make brain connections permanent. Children cannot remember a new word if they only hear it once. Brain connections become permanent when the child hears the word again and again and understand the meaning of the word. This is why we do the same activities three times per day:
